Dear Friends,

As we head into the summer months, we ask a small favor – that you remember Unity and all of the wonderful activities that take place here. For example, we will be altering the schedule of our amazing Sunday services, starting June 2nd. The first service will be the return of the meditation service led by Jack & Norma, and it will be held from 8:30 to 9:30 am. The second service will remain at 11:00 am and is our contemporary service, with powerful music by our Unity Music Team, and inspiring sermons by Syntysche, Shad and Jack Groverland. We also have our Monday Meditation with Shad at 5:30 pm every Monday in the meditation room, and the Mid-Week Service led by Jack & Norma on Wednesdays, with a time change to 6:30 pm, starting June 5th. On Sunday, June 2nd, Syntysche and Shad will be announcing an exciting new venture taking place at Unity of Boulder this summer, and there is so much more on the schedule. Check our website events for more.

We want to remind you that Unity of Boulder's doors stay open by the donations and tithes that come from you – from your generosity and commitment to the message of Truth shared at Unity. For 40 years, Unity of Boulder has been a hub for the spiritual awakening of the individuals that attend our church, and that has been made possible by those of you who support it. We are so very grateful for you! We know that many of you leave town and venture outdoors more in the summer, while Unity stays open with its full schedule. If you could find it in your heart to make a one-time donation to Unity of Boulder in your absence, or commit to a recurring monthly donation through the summer months, Unity of Boulder would be able to meet its financial obligations throughout those summer months when you are not with us. Please use the enclosed recurring giving form or the donation envelope for a convenient way to give.

God bless you, and may God's love surround you.

**With love,
Syntysche, Shad & Jack Groverland

Sharing Unity at Local Summer Festivals

Thank you to everyone who worked the booths at the Erie Town Fair and the Boulder Creek Festival. We had so much fun and enjoyed talking to people in the community about Unity.

AND THE FUN CONTINUES...

Voices of Unity - Rehearsals on Thursdays at 6 pm

The newly formed group is still looking for members, both singers and instrumentalists. They are building a repertoire and rehearsing songs to sing at different festivals and farmers markets in the area during the summer and into the fall. If you love to sing or play and want to share the message of Unity, please come on Thursdays!

Unity Cinema Presents *NOT EASY, GROW UP*
